

Curriculum Vitae Prof. Massimo Caulo

CURRICULUM STUDIORUM

2005 Master in Neuroradiology: School of Medicine, University of L'Aquila (Italy)

2004 Ph.D. in Biotechnologies and Functional Bioimaging: University "G. d'Annunzio" Chieti-Pescara (Italy)

2001 Specialization in Radiology: School of Medicine, University of L'Aquila (Italy); final grade of 50/50 with merit

1997 Graduation in Medicine: School of Medicine, University of L'Aquila (Italy); final grade of 110/110 with merit

POSTGRADUATE PROGRAM

2000 full-time resident-student at the department of Neuroradiology of the Montreal Neurological Hospital and Institute of the McGill University, Montreal (Canada).

March 2004 Functional MRI visiting fellowship program, at the "Center of Biomedical Imaging" of the Harvard Medical School (Boston, Massachusetts. USA).

July-August 2005 visiting research fellow at the Functional MRI laboratory of the Washington University (St. Louis, Missouri. USA).

PRESENT POSITION

Associate Professor of Neuroradiology at the Department of Neuroscience, Imaging and Clinical Sciences. University "G. d'Annunzio" Chieti-Pescara. Italy.

PRESENT ACADEMIC POSITION

Professor of Radiology and Radiation Therapy at the School of Dentistry University "G. d'Annunzio" Chieti-Pescara. Italy

Professor of Neuroradiology at the School of Medicine University "G. d'Annunzio" Chieti-Pescara. Italy

Professor of Neuroradiology at the Residency Schools of Radiology, Neurology, Neurosurgery, Ophthalmology University "G. d'Annunzio" Chieti-Pescara. Italy

CLINICAL POSITION

Staff Radiologist at the Department of Radiology of the University Hospital "SS. Annunziata" Chieti, Italy. Coordinator of the Neuroradiology area

MEMBERSHIP OF SCIENTIFIC SOCIETIES

Member of the Associazione Italiana di Neuroradiologia (AINR)

Member of the Società Italiana di Radiologia Medica (SIRM)

Associate member of the European Society of Neuroradiology (ESNR)

EXECUTIVE POSITIONS SCIENTIFIC SOCIETIES

2014-2015 Member of the executive board of the Associazione Italiana di Neuroradiologia (AINR)

2015-2017 Member of the executive board of the Associazione Italiana di Neuroradiologia and coordinator of the "Functional neuroimaging" section.

2017-2019 Coordinator of the Abruzzo local Section of the Società Italiana di Radiologia Medica – SIRM

2017-2019 Member of the executive board of the Associazione Italiana di Neuroradiologia and coordinator of the "Functional neuroimaging" section.

"AD HOC" REVIEWER

American Journal of Neuroradiology; European Journal of Radiology; Neuroradiology; Cortex;

PlosOne

OTHER ACTIVITY RELATED TO NEUROIMAGING

Founder and board member of the SERVE SRL company, a spin-off of the University “G. d’Annunzio” Chieti-Pescara, Italy. The company deals with implementing and managing high-performance and economically sustainable RIS-PACS systems for imaging

RESEARCH ACTIVITY

Author of 77 papers on indexed journals

Co-author of 11 book chapters on neuroradiological argument

H-index: 22 (Source Scopus)
