2. SCIENTIFIC ACTIVITY

2.1 Multicentric Italian Research

- Participation in N ° 2 Multicentre National Interdisciplinary Research Protocols on the Treatment of Pelvic Cancer from Rare Neoplasms within the Working Group of the A.I.R.O (Italian Association of Oncologic Radiotherapy) for Gastrointestinal Tumors. Protocol 1 (Code 97.01): "Sequential overdose and concomitant overdose in preoperative treatment of Locomotor Rare Neoplasms"; Protocol 2 (Code 97.03): "Preoperative hyper-fractional radiotherapy combined with concomitant chemotherapy in recurrent local recurrences of neoplasms in patients previously irradiated on pelvis"; 1996-2003
- Participation in a Multicenter National Observational Study on "Radiation Treatment in Palliative Treatments in Italy: Irradiated Sites, Dose Fractionation, Total Dose and Prognostic Factors" in the AIRO Working Group (Italian Association of Oncologic Radiotherapy) for Palliative Radiotherapy; 2000
- Participation in a Multicenter National Survey Study on "Postoperative Radiotherapy in the Treatment of Prostatic Carcinoma" within the A.I.R.O Workgroup (Italian Association of Oncologic Radiotherapy) for Prostate Cancer; 2000
- Multicentre National Research Protocol Participation: "Phase IIB Multicentre, Randomized Preoperative Radiochemotherapy Randomization in Rare T3 Extraperitoneal Carcinoma: Raltitrexed (Tomudex) + Oxaliplatin + Radiotherapy versus Cisplatin + 5-Fluorouracil + Radiotherapy" within the Group of AIRO (Italian Association of Oncological Radiotherapy) Work for Gastrointestinal Tumors;
- Coordination of a Multicenter Retrospective National Study: "Italian Pooled Analysis on Adjuvant Chemioradiotherapy with 5-Fluorouracil in Cancer Locally Advanced" in the Working Group of A.I.R.O (Italian Association of Oncologic Radiotherapy) for Gastrointestinal Tumors;
- Participation in a Multicentric National Study: "Prognostic Value of Complete Pathological Response after Neo-Adjuvant Therapy in Locally Carcinoma" within the A.I.R.O Work Group (Italian Association of Oncologic Radiotherapy) for Gastrointestinal Tumors;

□ Participation in a Multicenter National Phase III Study: "Downstaging of extraperitoneal rectal T3 tumors after neo-adjuvant therapy: Intensified Radiation Treatment with Accelerated Fractionation or Chemotherapy in Advanced Rectal".

2.2 Scientific-Organizational Activity

□ Scientific Responsible in the organization of the IV National Congress AIMUT with the title: "Uro-Oncological Pathologies" 07-10 September 2016, Auditorium Rectorate University "G.d'Annunzio" Chieti- Pescara

□ Scientific Responsible in the Organization of Congress Meeting with Experts XIII Edition entitled:
"Appropriateness of Imaging in the Radiodiagnostics of Nervous System Tumors and Head Neck" 26 and 27 February 2015, Auditorium Rectorate "G.d'Annunzio" University Chieti- Pescara

□ Participation in Research Funds for Scientific Research presented at the Chieti University in 2001: "Neo-Adjuvant Radiochemotherapy in Locally Advanced Rare Neoplasms (Stage II-III TNM)";

□ Participation in Scientific Research Fund Submission at the Chieti University in Year 2002: "Neo-Adjuvant Radiotherapy in Locally-Rated Neoplasms (Stage II-III TNM): Phase III Multicentre, Randomized Study Comparing radio-chemotherapy scheme PLA.FU.R (CDDP + 5-FU + RT) versus the TOMOXRT (Raltitrexed + Oxaliplatin + RT) scheme;

□ Participation in Research Funds for Scientific Research presented at the Chieti University in Year 2003: "Phase III randomized trial on preoperative retrostaxation of extraperitoneal rectal neoplasms T3: Raltitrexed (Tomudex) + Oxaliplatino + Radiotherapy vs. Cisplatin + 5-Fluorouracil + Radiotherapy";

- Project Participation on Scientific Research Funds presented at the Chieti University in 2006: "Integrated Radiochemotherapy and Surgery in the Locally Advanced NSCLC: Phase II Multi-Center Study";

- Contribution to Research Funds for Scientific Research presented at the Chieti University in 2004: "Problems in the Treatment of Cancer of the Elderly: Participation in a Multicentric National Study";

- Project Participation on Scientific Research Funds presented at the Chieti University in 2008: "Prediction of Response to Rectal Carcinoma to Neo-Adjuvant Radiochemotherapy by Analyzing the Profile of Gene Expression of Biomolecular Prognostic Factors";

- Participation and Coordination of a Project Implementation Web Site of Chieti Radiotherapy Unit and Radiotherapy Specialization School, Faculty of Medicine and Surgery - "G. D'Annunzio" Chieti-Pescara: www.radioterapia.unich.it
Web site designed and built in 2002 and currently in operation aimed at the on-line visibility of health care with telematic booking services

- Coordination in the Organization of the Discussion-Debate: "Patients with tumors in progression of the disease: what therapies and what assistance?"; as a member of the Scientific Secretariat, Chieti, March 22, 2002

- Oncology Radiotherapy Seminars: "New Strategies in the Treatment of Locally Advanced Rectal Cancer" Prof. Robert Myerson (Radiation Oncology Center, Washington University-St Louis-USA); a co-organized event with the Director of the Chieti Specialization School of Radiotherapy as Secretary of the same; Chieti, May 13, 2003

- Seminars on Oncology Radiotherapy: Current Strategy Management in Gastric Cancer Prof. Mohammed Mohiuddin (Department of Radiation Medicine, University of Kentucky-Lexington, Ky-USA); a co-organized event with the Director of the Chieti Specialization School of Radiotherapy as Secretary of the same; Chieti, November 25, 2004

- Oncology Radiotherapy Seminars: "The Role of Radiotherapy in High Glycomes" Prof. Vincenzo Tombolini (L'Aquila); a co-organized event with the Director of the Chieti Specialization School of Radiotherapy as Secretary of the same; Chieti, February 17, 2005

- Seminars on Oncologic Radiotherapy: "Definitive and postoperative 3D-CRT for prostate cancer: technique, set-up, organ motion and clinical outcomes" Dr. Pietro Gabriele (Candiolo-Mauriziano Torino); a co-organized event with the Director of the Chieti Specialization School of Radiotherapy as Secretary of the same; Chieti, March 10, 2005
- Oncology Radiotherapy Seminars: "The Role of Radiotherapy in Hodgkin's Lymphomas" Prof. Riccardo Maurizi Enrici (University of S. Andrea-Rome); a co-organized event with the Director of the Chieti Specialization School of Radiotherapy as Secretary of the same; Chieti, June 14, 2005
- Oncological Radiotherapy Seminars: "Radiation Radiation Quality Assurance: ISTISAN Reports" Prof. Vincenza Viti (Higher Institute of Health-Rome); a co-organized event with the Director of the Chieti Specialization School of Radiotherapy as Secretary of the same; Chieti, September 12, 2005
- Oncology Radiotherapy Seminars: "The Role of Radio Chemotherapy in Soft Tissue Sarcomas" Prof. Enza Barbieri (Policlinico S. Orsola- Bologna); a co-organized event with the Director of the Chieti Specialization School of Radiotherapy as Secretary of the same; Chieti, November 11, 2005
- Seminar on Oncology Radiotherapy: "Advances and Future of Radiation Oncology"; "IMRT / Tomotherapy in Head and Neck Cancer"; "Current advances in evaluation and management of Cervical Cancer" by Prof. Carlos A. Perez (Mallinkrodt Institute of Washington University- St. Louis-USA), Chieti 16-17 October 2006
- Seminars on Oncology Radiotherapy: "State of the art and perspectives in the treatment of the Head and Neck Tumors"; Prof. Vincent Gregoire (University of Louvain, St. Luc University Hospital, Brussels, Belgium); a co-organized event with the Director of the Chieti Specialization School of Radiotherapy as Secretary of the same; Chieti, December 11, 2007
- Coordination in the Organization of the Conference-Meeting with Experts Issue: "Solid Tumor Radiation Therapy"; as a member of the Scientific Secretariat; Chieti, 28 February 2003
- XIII National Congress A.I.R.O (Italian Association of Oncologic Radiotherapy); as a member of the Local Organizing Committee; Montesilvano-Pescara, October 5-8, 2003

- Coordination in the Organization of the Meeting with Experts II Edition: "Integrated Tumor Therapies of the ORL District"; as a member of the Scientific Secretariat; Chieti, February 26-27, 2004

- Coordination in the Conference Meeting with Experts III Edition: "Gastrointestinal Tumor Integrated Therapies: Esophagus, Stomach, Pancreas, Gallbladder"; as a member of the Scientific Secretariat; Chieti, February 25-26, 2005

- Coordination in the Organization of the Meeting with Experts IV Edition: "Prostate Cancer: Integrated Therapies"; as a member of the Scientific Secretariat; Chieti, February 23-24, 2006

- Coordination in the Organization of the Meeting with Experts V ^ Edition: "Integrated Therapies in Non-Microcytoma Pulmonary Tumors"; as a member of the Scientific Secretariat; Chieti, February 22-23, 2007

- Coordination in the Organization of the Meeting with Experts VI Edition: "Integrated Therapies in Tumors of the Elderly patients"; as a member of the Scientific Secretariat; Chieti, 21-22 February 2008

- Coordination in the organization of the "Theoretical-Practical Course for Radiotherapy Technicians in Oncological Senology"; as a member of the Scientific Secretariat; Chieti, April 11-12, 2002

- Coordination in the organization of the "Theoretical-Practical Course for Radiotherapy Technicians in Oncological Senology"; as a member of the Scientific Secretariat; Chieti, November 15-16, 2004

- Coordination in the organization of the "Residential Course: Oncologic Radiology in Senology"; as a member of the Scientific Secretariat and in collaboration with the Italian School of Senology; Chieti 7-9 May 2007

- Coordinating in the organization of the "Residential Course: Outline of Lymph Node Areas and Quality Indicators in 3D Radiation Therapy"; as a member of the Scientific Secretariat and in collaboration with the Superior Italian Institut of Health; Chieti May 17-19, 2007
- Coordination in the organization of the "Meeting with Experts:" Appropriation of Imaging in Diagnosis and Radiotherapy of Tumors of the Central Nervous System and Head-Neck ", as President of the Conference, Chieti February 2015
- Coordination in the organization of the "Fifth Congress A.I.M.U.T. (Italian Academy Multidisciplinary Territorial Urology) - as National President A.I.M.U.T. and Scientific Responsible of Congress - Chieti 7-10 September 2016
- Coordination in the organization of the "Meeting with Experts: Appropriation of Imaging in Diagnostics and Radiotherapy of Gastrointestinal Tumors", as President of the Conference, Chieti February 2017
- Coordination of the Itinerant A.I.R.O. Course (Italian Association of Radiation Oncology) "Contouring in Neoplasms of the Operated Oral Cavity", as scientific responsible - Chieti, June 2017.

2.4 Scientific assignment

1. Regional Coordinator for the Abruzzo Region of the Working Group A.I.R.O. (Italian Association of Oncologic Radiotherapy) for the treatment of colon-rectal neoplasms; Bologna 20 January 2000;

2. Regional Adviser A.I.R.O (Italian Association of Oncologic Radiotherapy) LAZIO-ABRUZZO, two years 2000-2001;

3. Co-ordinator Drafting Guidelines A.I.R.O (Italian Association of Oncologic Radiotherapy) and A.I.O.M (Italian Association of Medical Oncology) for Neoplasms of the Esophagus; I ^ draft 2006; review 2007.

4. Scientific Committee Member of the Italian Association of Oncologic Radiotherapy (A.I.R.O) from 2011 to today (2017)

5. Regional Group Coordinator A.I.R.O. L.A.M. (Lazio - Abruzzo - Molise) biennium 2016-2017

6. President Italian Academy Multidisciplinary Territorial Urology Year 2016

3. Didactic Activity

3.1 Teachings and Degree Courses

1. Academic activities from A.A. 2001-2002 to date at the Degree Course in Medical Technology Radiology for Images and Radiotherapy of the University "G. D'Annunzio" of Chieti-Pescara for the following teaching discipline: Radiotherapy Equipment in the Integrated Course of " Applied Medical Technologies and Electrical and Electronic Measures "(1st Course Year);

2. Academic activities from A.A. 2007-2008 to today at the Degree Course in Medical Technology Radiology for Images and Radiotherapy of the University "G. D'Annunzio" in Chieti-Pescara for the following Discipline: Radiotherapy in the Integrated Course of " Diagnostic for Images and Radiotherapy II "(2nd Course Year);

3. Academic activities from A.A. 2011-2012 to date at the Degree Course in Medical Technology Radiology for Images and Radiotherapy of the University "G. D'Annunzio "of Chieti - Pescara for the following Discipline: Radiotherapy in the Integrated Course of "Diagnostic for Images and Radiotherapy "(3rd Course Year);

4. Academic activities from A.A. 2005-2006 until today at the Specialization Degree Course in Nursing and Obstetrics at the University "G. D'Annunzio "in Chieti-Pescara for the following Disciplinary Course: Diagnostics for Images and Radiotherapy in the Integrated Course of" Nursing Sciences applied to Organizational Processes and Career Trails in Critical Area II "(1st and 2nd Course Year)

5. Academic activities from A.A. 2012/2013 to today at the Degree Course in Medicine and Surgery Faculty of Medicine and Surgery of the University "G. D'Annunzio "for the following teaching discipline:" Radiotherapy "(4th and 5th year of the course)

6. Academic activities from A.A. 2012/2013 to today at the Degree Course in Biomedical Laboratory Techniques, School of Medicine and Health at the University "G. D'Annunzio "for the following teaching discipline:" Radioprotection "(2nd Course Year)

7. Academic activities from A.A. 2012/2013 to today at the Degree Course in Biomedical Laboratory Techniques, School of Medicine and Health Sciences of the University "G. D'Annunzio "for the following teaching discipline:" Radioprotection "(2nd Course Year)

8. Academic activities from A.A. 2012/2013 to today at the Degree Course in Biomedical Laboratory Techniques, School of Medicine and Health Sciences of the University "G. D'Annunzio "for the following teaching discipline:" Radiation protection I and Radioprotection II "(1st and 2nd year of course)

9. Academic activities from A.A. 2012/2013 to today at the Degree Course in Orthoptics and Ophthalmic Assistance, School of Medicine and Health Sciences of the University "G. D'Annunzio "for the following teaching discipline:" Radiology, Radiotherapy and Radiation Protection "
(3rd Course Year)

10. Academic activities for A.A. 2014/2015 within the Master's level II in "High Training and Qualification in Pain Therapy for Medical Specialists", Faculty of Medicine and Surgery of the University "G. D'Annunzio "for the following teaching discipline:" Role of Radiotherapy in the Treatment of Cancer Pain ".

3.2 Teaching in Specialization Schools

1. Secretary and Director Head of the School of Specialization in Oncological Radiotherapy, University "G. D'Annunzio "in Chieti-Pescara, Faculty of Medicine and Chieti from the time of its establishment, April 1, 1999 to this day;

2. Academic activities from A.A. 2000-2001 to today at the School of Specialization in Radiotherapy, Faculty of Medicine and Surgery of the University "G. D'Annunzio "of Chieti-Pescara for the following Discipline of Teaching: Radiotherapy Equipment (1st Course Year);

3. Academic activities from A.A. 2000-2001 to today at the School of Specialization in Radiotherapy, Faculty of Medicine and Surgery of the University "G. D'Annunzio "of Chieti-Pescara for the following teaching discipline: Radiotherapy treatment techniques with external beams (2nd year of course);

4. Academic activities from A.A. 2000-2001 to today at the School of Specialization in Radiotherapy, Faculty of Medicine and Surgery of the University "G. D'Annunzio "in Chieti-Pescara for the following teaching discipline: Colon-rheumatoid tumors in the Integrated Course of Radiotherapy Clinic (3rd Course Year);

5. Academic activities from A.A. 2000-2001 to today at the School of Specialization in Radiotherapy, Faculty of Medicine and Surgery of the University "G. D'Annunzio "of Chieti-Pescara for the following Discipline of Teaching: Three-dimensional Conformational Radiotherapy and its technological evolution in the Integrated Course of Traditional and Special Radiotherapy Techniques (4th Year of the Course)
